

Newark Gets Harry Zannelli--Amateur Commission Meets

Amateur Commission Appoints Committee

Will Investigate Charges of Manager Wilkinson, of the St. Martin's Team; Also Eligibility of Diver, Rose, and Carroll.

By W. SWAN.

And still there is no result in the question of the paying of players.

The Amateur Commission met at Spaulding's store in Fourteenth street last night, and after three hours of discussion it was decided to let a committee of four look into the matter of the paying of players.

The Phillips case came up again, and President Young stated that he was not in a position to give the commission his reply to the protest.

Three letters from Manager Wilkinson, of the St. Martin's team, were handed to the president by Mr. Roeder, of the Independence circuit, and after a lengthy confab it was decided to allow the letters to be accepted by the commission, and a committee, composed of Col. J. William De Graaf, Capt. Edwards, and H. C. Cope, and H. E. Beach, was appointed to investigate both the charges of Wilkinson and the eligibility of Pat Diver, Rose, and Silk Carroll.

Manager Wilkinson charges that "Dutch" Stuckert did not play good ball for him; in fact, that "Dutch" was "laying down." He also charges that Stuckert was offered a \$10 a month job to play with the New Willard team, and that "Dutch" had told him so.

Gill Cassidy, of the Ingram team of the Sunday School League, was another amateur who was brought on the case by Wilkinson. The St. Martin's manager claims that Cassidy came to him and asked him for his release, saying that the manager of the Hamilton team of the Commercial League had offered him \$25 a game to play, and as he could not leave the Ingram team, wanted Wilkinson to give him his release. This Wilkinson did after a talk with President Roeder, of the circuit.

President Young spoke a few words in regard to this matter of paying players, and said that he was glad the question had been brought to the attention of the commission, and that he would do all in his power to have the question settled and the guilty party punished.

A vote of thanks was given the A. G. Spaulding Company for the book of rules and the commission stationed.

Manager Love, of the ninth team of the Sunday School League, is somewhat "hot up" regarding the way "Shorty" Hughes put Jaeschel off the field for wanting to practice before the game. Mr. Love stated that he understood the teams were allowed fifteen minutes grace and as his team was a few minutes late, he thought that Hughes could at least have allowed him the field for a few minutes. As it was, the ninth team went into the game cold, and still they defeated the league leaders, the Hamilton tribe, 6 to 4.

That no-hit game of Powell's in the district league last week was some game. The youngster had the G. P. O. batters eating out of his hand and the result was in doubt. Powell pitched a good ball for the Peck team last year and the game the past week was the first that he had worked in for quite a while. A sore arm had been troubling him this season, but from the game that he shut out G. P. O. it looks like that Powell person will with more than one game for the Bureau aggregation this year in the District League.

President Clark of the Departmental League stated last night that all this talk regarding the "fight" of Friday was foolish. It was just a little hot head and loud talk.

The Sunday School League can boast of three of the best fielding shortstops of the District in "Oz" Varela, of Ingram; "Tommy" Harris, of Ninth; and Jack Spaulding, of Hamilton. Besides being fast fielders, Spaulding and Varela are good stickers.

Johnny Callow, the crack little receiver of the Car Department team of the R. R. Y. M. C. A. League, is sure rapping the ball hard for Manager Taylor. In the last few games Johnny has been popping out on an average of three bingles a contest, and they all come at the right time.

"Dutch" Kinney once more went in the box for Commerce and defeated his old rival, Jimmy Kerr, in a slugfest last week. Jim was pounded for sixteen hits and seven runs, while "Dutch" got off with a lone tally chalked up against him.

"Greedy" Greer, the star of the North Carolina team, of the Sunday School League, evidently did not like his stay in the Tidewater League. John was sent the latter part of the week back at his old job on the cake wagon.

Ferguson Pague, the crack first sacker of the Petworth team, of the Suburban League, is hitting the ball in his old time form, and that means in the .300 class.

And still they play ball. Pop Kerper is now with the North Carolina team, in the Sunday School League, and if they would let the grand old man run the team a better race in the circuit would result, for there are few points of the game that Pop does not know, and he is always ready to help the youngsters.

"Chief" Greene, the Catholic University star slugger, is putting up a great game in the box for the Cornell Tigers, in the Capital City League. The Big Chief has lost none of his cunning and bide fast to equal his record of last year.

The Sherwood team, in the Sunday School League, has been greatly strengthened by Manager Love, and the hustling manager of the suburbanites deserves a great deal of credit for sticking with a losing team and building up a pennant possibility.

Many of the amateur leagues are playing a much better article of ball now than they did at the beginning of the season, although big-league games continue to result. The lack of the proper kind of twirlers and the new ball is the cause of all the large scores being made.

Parkview upset the Jope on Petworth, in the Suburban League, when Tim Chien shut out the Baby Dolls without a hit. The majority of the suburban fans are pulling for Petworth, but Parkview seems to have the call on Manager Turner's pet.

In the Bankers' League the American Security and Trust team is still the king.

RULE 8—PLAYING SEASON RULES

Rule 8. Each team shall be allowed a maximum number of twenty players, and at no time shall the number eligible to play exceed this. The names shall be registered with the commission immediately, and transfers three (3) days before they shall be eligible to play, after the expiration of which period the commission may reopen the question of eligibility or transfer for suspected fraud, irregularity, or other cause. No player who has played on, or been a member of, any team or club under the national baseball commission of America shall be eligible to play with any club or team a party to this constitution and subject to its rules, who shall have played under the national commission on or after June 1, 1911, or with the Tidewater League, or any other professional baseball league or club, on or after June 10, 1911.

"Shags" Rawlings had the Commercial line eating out of his hand the other day, and besides, he made the Commercial team look like a class D aggregation.

"Dutch" Stuckert is sure playing some ball for the Willard team, in the Commercial League. The Dutchman is fielding in the form that made him the star of the Church League a few years back and is clouting the ball with the best.

In Porter Manager Love, of Sherwood, has one of the most versatile men playing amateur ball in the District. No matter where he is put, "Red" will play a good game. In the box he can hold his own, while behind the bat Porter is a fair catcher. In any of the other seven positions Porter is a good man.

Still another fast man has been signed by the Commercial League. "Dutch" Schwegler, of the fast Ingram team and Tech High, will be seen in a Walcott uniform in the future, while Smith and Goebel, the crack battery of the Ingram team, will perform for the Moses aggregation.

Quite a lot has been said regarding the excellent twirling of Elmer Smith, but too much praise cannot be given to the wonder of the season. "Fleedon," as he is affectionately called by his many pals of the northeast section, is one of the youngest pitchers in a Class A amateur circuit. Eighteen years old, with the best of speed and wonderful curves, the best of critics pronounce a brilliant future for the star twirler of the kid leagues.

Another infielder who is putting up a great game in the Commercial League is little Sam Johnson, of the Moses team. Sam has long been famed for his ability to stop the hot ones at the third station, but his fielding this year has been the best of his career. Last season, as a member of the champion Olympia Athletic Club, Sam put up a great game at third and second, being used as a general utility man by the Clubmen and never falling down. Sam has been hitting the star twirlers of the Commercial League regularly and is leading the Moses team in hitting and stolen bases.

"Monk" Walters is still the same old fast child on the paths. He is running wild in the Sunday School League and is getting his share in the Departmental circuit. Last season, as a member of the champion Olympia Athletic Club, Sam put up a great game at third and second, being used as a general utility man by the Clubmen and never falling down. Sam has been hitting the star twirlers of the Commercial League regularly and is leading the Moses team in hitting and stolen bases.

There are quite a few good catchers in the District, but in the writer's opinion "Big Six" Brewer is as good as the best. Ane is plying the ball in the Sunday School League as well as in the Commercial circuit and is throwing out the best on the paths.

While little Broome, of the Ninth team, is not hitting well at present, it is more than likely due to his inability to see the ball. "Mild" is sent to the District, it is said around Lincoln Park that the speedy runner will soon be in the big show.

Amateur Editor The Washington Herald: "Alexandria has a baseball team, and they call themselves the Alexandria Baseball Club, generally known as the 'A. B. C.' and is made up of young men who are gentlemen, and are pretty good ball players, but it seems hard for this team to secure games with the Washington teams they desire to play.

"Of course I cannot blame the Washington boys for fighting a little shy of Alexandria, as, before this year, when a team came to Alexandria they were never sure of seeing Washington again. However, this year things are run on a strictly high-class plan, and the teams whom we have played in Alexandria have been more than pleased with their treatment, some of them being Technical High, three games; Eastern High, Central, Georgetown, Prep, District Commissioners, Kensington, and a few others, but in order that we may secure more of the good teams from Washington, I appeal to you, as representing the best sporting medium among the Washington papers, for help.

"We are now playing in an enclosed ground, which we have the exclusive right to use, which is fully equipped with grand stand, bleachers, telephone service, clubhouse with modern improvements, and we see no reason why we should find difficulty in securing teams to come to Alexandria.

"Our local police justice is the team's coach, who at all times has the best of perfect control. We are exceedingly anxious to secure games with all the teams in the District League, Departmental, Sunday School, Suburban League, Capital City, Olympia, Independence, Bankers, Commercial, Suburban, and the R. R. Y. M. C. A.

"We guarantee all expenses incidental to any team's visit to Alexandria, and treat them good while they are here.

Doctor Corcoran's team in the Marquette League, 10 to 3.

The Naval Medicos defeated the Corcoran team in the Marquette League yesterday, 10 to 3.

Ritter, on the mound for the winners, twirled a good game and allowed three hits but five scattered hits. Stuckert and Bessley batted well, each getting two hits out of three trips to the plate.
